

Dear Guest,

Please complete the attached **Win/Loss Statement Request Form**. Make sure your Terrible's Primm Valley Casino Resorts account number is on the form. These statements are sent out on a first come, **first serve basis**. Please allow at least **thirty- (30) days** and submit your request **one (1) time** only. By signing this request form, you acknowledge this information is in use as a supplement; it is not deemed a definitive record of your activity or an official tax document, and may be used in conjunction with your own records. The Win/Loss Statement is the difference of total win and loss for year requested for table play and slot play registered while using your **Terrible's Primm Rewards Player's Club card**, and does not contain the actual coin-in or the calculations thereof. If you are requesting a 2009 Win/Loss statement, a separate request form must be submitted, and these requests will **not begin** processing until after January 1, 2010.

Return the completed and signed form to:
