FREQUENTLY ASKED QUESTIONS

1. What should I wear during my treatment?

Most body treatments can be enjoyed without clothing. Undergarments may be worn if desired. Wear what is comfortable for you. Our professionally trained therapists will use discretion in making that sure those parts of your body that are not receiving treatment are properly covered. We do ask that guests shower prior to their treatments.

2. Any age restrictions?

Yes. All guests of The Spa at Primm must be at least 18 years of age and have a valid photo ID for all services.

3. May I request a male or female therapist?

Yes. However, we cannot guarantee that the therapist you request, whether male or female, will be available. Regardless of your gender, our therapists are trained to drape sheets discreetly over areas of the body not involved with treatment. We respect and protect your privacy at all times.

4. What if I have special health problems?

Please notify one of our coordinators when booking your treatments if you have high blood pressure, allergies, disabilities, or if you are pregnant. All guests of The Spa at Primm will be asked to complete a brief medical questionnaire upon check-in, designed with your wellbeing in mind. Any guest who appears ill will not be allowed access to The Spa at Primm.

5. What if I am late for my appointment?

We suggest that you arrive at least 30 minutes prior to your scheduled appointment so that you may enjoy our relaxing lounge and steam rooms. Arriving late means there is less time for your appointment, potentially reducing the effectiveness of your treatment. All scheduled appointments take into consideration the time required for consultation and room preparation. Your treatment will end on time so that the next guest is not delayed.

6. What if I need to cancel my appointment?

Because your spa services are reserved, we ask that you notify us at least four hours in advance if you need to cancel or reschedule. There will be a 50% charge to your account in the event that we do not receive a cancellation notice.

* We require a credit card at the time of booking your appointment.

7. What is the customary gratuity for spa services?

In appreciation of outstanding guest service, gratuities may be given at your discretion to your treatment therapists and/or spa attendant.
